

# HAMPSTEAD SCHOOL

Learning together Achieving together

8<sup>th</sup> November 2024

Dear Parent/Carer,

You and your child are invited to attend the **Hampstead School Sixth Form Open Evening on Tuesday 26<sup>th</sup> November. The evening starts at 17:30 and will end by 19:30.**

The purpose of this event is to welcome you to Hampstead School Sixth Form and to provide information about **post 16** qualifications and options, the KS5 course requirements and the Sixth Form application process.

From 17:30 you will be able to visit Sixth Form subject stalls in the East Block and meet with Sixth Form teachers and students. There will be welcome talks at 17:30 and 18:30 introducing you to information about our Sixth Form, and you will also have the opportunity to have a tour of the school facilities.

For those students seeking alternatives to A Level courses, we have invited our careers adviser, Ms. Evans, who you may wish to meet with to discuss college options, apprenticeship opportunities and work experience.

Our Sixth Form is ever popular and courses fill up quickly. It was rated as 'Good' in our most recent Ofsted Inspection in April 2023 and received very positive feedback. Inspectors said *'Sixth Form students achieve particularly well.'*

Our students gain places on highly competitive university courses, such as medicine and law, at some of the world's leading universities and progress to impressive apprenticeship placements in areas such as accountancy and engineering.

We strongly recommend that you attend this Sixth Form Open Evening to ensure that your child is prepared for making the next step after their GCSEs. It will be a wonderful evening where your child will be able to encounter the wealth of experiences that the Hampstead School Sixth Form has to offer.
