

Hampstead School Uniform – Years 7-11

Uniform is compulsory for Years 7-11 at Hampstead School, promoting a sense of identity and pride in Hampstead School. We expect all students to be appropriately dressed for learning and to be neat and tidy. Our uniform supports the security and welfare of students within a caring environment, where they are encouraged to become confident and responsible citizens. It is also our aim to discourage unnecessary and expensive competition in matters of dress, thus avoiding pressure on extra expense for parents and carers. We have learnt, from experience, that tolerance of minor variations are contrary to these aims and are harmful to the general appearance and image of Hampstead School.

We ask all parents and carers to support Hampstead School by keeping to the prescribed uniform list below.
