

HAMPSTEAD SCHOOL

Learning together Achieving together

10 May 2021

Dear Parents & Carers

The Governing Body are delighted that at last your children have been returned to school safely.

As you are aware, Hampstead School has a long history of success and a well-known reputation for nurturing young people to help them realise their potential.

As Chair of the Governing Body I am proud to be part of this continued journey with Hampstead School, but I need your help.

Attracting parents to put themselves forward for parent governor elections during the pandemic was not successful (*see communication on [school's website of November 2020](#)*). The school currently has one parent governor vacancy with two additional vacancies arising in the next academic year.

At Hampstead School, we are committed to promoting a diverse and inclusive community and the governing body is no different. We are keen to hear from as many voices as possible, and particularly from those traditionally under-represented. Everyone is welcome – we are committed to inclusion across race, gender, age, religion, identity and experience.

If you are interested in becoming a parent governor, please let me know. You can either email me at b.netto@hampsteadschool.org.uk or Margaret Johnson, Clerk to the Governing Body m.johnson@hampsteadschool.org.uk to arrange a convenient time to have a discussion either with me or one of our existing parent governors.

Yours sincerely

Brian Netto
