

3rd June 2020

Dear Parent/Carer,

We are delighted to announce that next week our Year 10 students are invited to take part in the national initiative “My Week of Work” alongside their curriculum tasks.

My Week of Work 8th of June – 12th June 2020

Each morning on Show My Homework (SMHW) we will be linking to a range of activities. The expectation is that, wherever possible, students take part in a minimum of two sessions per day.

Students login to SMHW by logging in to the following website Hampstead.RMUnify.com using their school email and password for the school computers and selecting the SMHW tile.

The Oak National Academy (Oak)

SMHW will link directly to the Oak platform where the following sessions will be shared. There is no registration required and students can do more than two sessions a day if they wish.

Students will be asked to submit a photograph or screenshot of their completed tasks to SMHW

The Learn Live Platform

In addition to the tasks above, The Learn Live Platform is broadcasting live Q&A sessions. These are optional, but highly recommended. If a Learn Live broadcast a student wishes to take part in and an Oak task running at the same time, they should choose Learn Live as the employers are only available at this specific time. Oak tasks will continue to be available throughout the week.
