Learning together Achieving together

May 2019

Dear Parent/Carer

I am writing to ask for your continued support at this crucial time for our students as they continue with Summer Key Stage 4 examinations. Preparation and revision for examinations is vitally important in terms of maximising grades and outcomes from their KS4 courses and therefore pathways for future progression.

Half-term Revision School Programme – Tuesday 28 May – Friday 31 May 2019 & Saturday Schools on 25 May & 1 June, 2019 (0930-1230 as usual)

There is a further **May Half-term Study School** running from **Tuesday 28 May – Friday 1 June, 2018** in a variety of subjects and courses. There is a normal Saturday School on both Saturdays during the half term as detailed above.

Each morning session will run from **9:30am until 11:30am**. Each afternoon session will run from **11:50am until 1:50pm**. A 20-minute break will take place between the two sessions and there is **no lunch service** available. If students are attending both sessions in a day, we advise they bring a snack to have at the change-over of sessions. Effectively, the day will run as a normal Period 1 to 4 but starting 30 minutes later, at 9.30am. There is **no charge** to attend. A register will be taken at reception, on arrival, and students need to conduct themselves appropriately at all times.

I attach the programme for study, it details the sessions available. Many sessions are targeted to particular students. They will be aware of this from their class teachers, through notes in planners or because specific letters/ telephone calls have been made by their teachers to you. This does not mean your child cannot attend other relevant sessions. Some subjects run a number of sessions to facilitate uptake for those attending other sessions in the week – students need to **plan their time** to maximise learning opportunities and minimise clashes. Students need to **commit to and apply themselves purposefully** in sessions; failure to do so may result in them being asked to leave.

We would like to thank you for your continuing support on the above and encourage your child to take full advantage of this opportunity.

Yours faithfully
