Learning together Achieving together

17<sup>th</sup> May 2021

Dear Parent/Carer

## End of Year Arrangements for Y13

Our Y13 students are currently working very hard to complete their A Level assessments and have been making improvements to the work they have already done in their BTEC courses.

We expect students to attend all lessons until Friday 28<sup>th</sup> May, if they are sitting A Levels, or until they have completed and submitted their final piece of coursework, if they are completing BTEC qualifications. For BTEC qualifications, students must attend lessons until the course leader has confirmed that they no longer need to attend. Once the course is completed, students should see the Deputy Head of Sixth Form, Mr Ackland, to arrange any further progression interviews or support they may need. Our Careers Advisor, Ms Evans, will be available for students to book appointments with should they require her advice or assistance.

Following the conclusion of your child's final assessments, we are inviting them to take part in our Y13 Remote Transition Programme on Teams. The programme will take place entirely online between Wednesday 9<sup>th</sup> – Friday 18<sup>th</sup> June. Students will be able to take part in a range of activities that will support their transition to their next stage of learning. They will have access to high quality resources that will teach them skills in money management, cooking and managing their wellbeing as well as providing them with an opportunity to make a start on activities specific to their university or apprenticeship courses. Students will be given access to the programme through their Teams accounts. Should they want or require any further guidance during this time they should be in touch with their tutor, Mr Ackland or Miss Rothwell.

Your child will be able to collect their A Level/BTEC results on Tuesday 10<sup>th</sup> August from **8.00am-11.00am**. Ms Evans, Careers Advisor, will be available on the day to offer support and advice. There will also be staff on site to support students and offer guidance should they need to use the clearing process. If a student is unavailable to collect results on this day, they should advise Mr Ackland or Miss Rothwell of this in advance, and ensure that they inform them of where the results should be posted to. Alternatively, if a student wishes for someone else to collect the results on their behalf, they will need to provide a letter to this effect with the name of the person collecting the results. Under no circumstances can results be given via a telephone conversation or email.

We are excited to announce that Y13 Graduation will be held on 15<sup>th</sup> July from 4.30-7.00pm at Hampstead School. You will receive a formal invitation in the coming weeks, and we would be grateful if you would reply, once received, to confirm your attendance.

It has been a pleasure to have your child with us throughout their Sixth Form years and we look forward to celebrating their achievements in the near future. We wish your child every success in their forthcoming assessments and beyond. Please do not hesitate to contact me, the Deputy Head of Sixth Form, or their tutor, if you have any questions or concerns.

Yours faithfully
