

# HAMPSTEAD SCHOOL

Learning together Achieving together

Email sent to Parents & Carers on Friday 29 November 2019

Dear Parents & Carers

## Moving Day Closure - 13 December 2019

Firstly, thank you again for your ongoing support as we complete our rebuild of Hampstead School. It has been a long, and at times, arduous 5 years. I am acutely aware that with the exception of our Sixth Form, current Hampstead School students will not have known a substantive time without building disruption. They have responded with sense and resilience.

I have been informed that the work on our North and West Buildings is scheduled for final completion and occupancy on **Friday 13 December 2019**. Consequently, **the school will be closed** for all students on that day for health and safety reasons, so that we can complete finishing works and final occupancy. I regret that we have to close for this extra day, but this will ensure that we start 2020 without any further disruption, ready to go.

For the New Year, we are also consulting on improvements to our behaviour policy, the draft of which is available on our website using the link below to login to the secure area:

The login and password for this area will be sent separately.

I would appreciate any feedback by e-mail to [enquiries@hampsteadschool.org.uk](mailto:enquiries@hampsteadschool.org.uk) by 16 December 2019.

With all best wishes
