

HAMPSTEAD SCHOOL

Learning together Achieving together

30 March 2020

Dear Parents / Carers,

I hope you managed to have a safe and restful weekend following our first week of online learning.

By now, I trust that all students will have had a telephone conversation with their tutor, or similar.

Please note that whilst we are trying to call every student weekly, incoming telephone numbers must be withheld. If you receive a "Private Number" or "Number Withheld" call, please do answer as it is likely to be from your child's form tutor.

Staff in school are in regular contact with each other, sharing information through videoconferencing and other social media applications. We are also in regular contact with broader agencies within Camden and our resident boroughs.

I have been impressed with the engagement from the large majority of students, moving to this new way of working and communicating. However, a few students are still having difficulty accessing RM Unify which is the portal to Show My Homework, SENECA Learning, SAM Learning.

Please can you check that your child is able to log on, separately from the parental app that you may have.

Your child needs to

- Follow the Outlook web access tile on RМУnify to log in to their school email or use the link on the 'contact us' page on the school website.
- Your child's password for their email and for RМУnify is the same as the one they use to log in to the school computers.
- If your child has forgotten their password for the school computers, please email Miss Duncan on r.duncan@hampsteadschool.org.uk with their full name and tutor group.

Head: Jacques Szemalikowski MA BSc(Hons) PGCE NPQH CPhys MinstP. FRSA

All instructions for accessing remote learning are on the “Coronavirus Update” tab of Hampstead School’s website, and specifically in my letter to students of 20 March. This is a new way of working for all of us, so please do contact your child’s tutor if there are any concerns related to your child’s use of online platforms.

Can I also remind you that support and information is also available on our website relating to safeguarding, health and wellbeing, and coronavirus protection.

Yours sincerely,

Jacques Szemalikowski
Head
