Learning together Achieving together

Email sent: 27 February 2020

Dear Parents / Carers

I am sure you will be monitoring information about the novel coronavirus.

I want to reassure you that the school is also monitoring the situation. We receive frequent updates and information from Camden Council and Public Health England.

The latest information and advice about the virus can be found on the gov.uk website and specifically here:

<https://www.gov.uk/guidance/wuhan-novel-coronavirus-information-for-the-public>

Advice for an educational setting can be found here:

<https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19>

This information will be uploaded onto the school's website shortly.

The school is taking precautions by disinfecting public areas such as bannisters. We have also issued guidance to tutors to go through with their tutees.

I would like to take this opportunity to wish you and your family good health.

Yours sincerely

Robert Hague  
Deputy Head
