Press Release

Hampstead School students celebrate brilliant Level 3 results

Hampstead School students received fantastic A-Level, BTEC and LIBF results today, richly deserved after a turbulent 18 months. Our brilliant Year 13s are moving on to some amazing university, apprenticeship and employment opportunities. We will miss them, but have no doubt that they will go on to make the world a better place.

This August we have a whole year group of ‘good news stories’ – every single member of the cohort has negotiated unprecedented challenges. We do not have space to feature everybody here, but hope the following examples capture what made the Class of 2021 very special.

Aafreen Ahmed achieved A*, A*, A in Biology, Psychology and History. She will be going on to Keele University to study Neuroscience & Psychology.

Junada Alshamony received A*, A*, A and B in Biology, Mathematics, Chemistry and Computer Science. We are excited to say that he will be working at Hampstead School next year as part of our COVID response strategy, before going on to study medicine in 2022.

Adam Banzragch-Meguellati was awarded A*, A*, A* in Maths, Further Maths and Physics. He will be studying Maths at Kings College, London.

Nicoll Douglas achieved A*, A*, A in Maths, Further Maths and Economics. He is heading off to Imperial to study Maths.

Kamal Faris received a Distinction* and a Distinction in his Business National Diploma. He plans to study Accounting and Finance at Hertfordshire.

Flavia Hasrami was awarded A*, A*, A in Biology, Chemistry and Psychology. She is going on to UCL to study Pharmacy

Olivia Kent achieved A*, A, B in Sociology, History and Maths. She will be studying Sociology at Bristol.

Marija Maksimova secured A*, A*, A*, B in Media, Psychology, EPQ and Photography. She is heading off to Birmingham to study Psychology.

Abdullahi Moalin received Distinction *, Distinction * in his Business National Diploma. He plans to take a gap year before starting an apprenticeship.

Hampstead School's Head, Matt Sadler, said: 'We feel humbled to have worked with such a resilient, ambitious and compassionate group of young adults. As a school we ask our students to Thing Big, Work Hard and Be Kind; our Year 13s model these values in everything that they do. Knowing that they are progressing to an exciting range of university places, apprenticeships and employment opportunities, and that they will go on to become the leaders of tomorrow, fills me with a sense of hope and possibility.'

Jamie and Junada are pleased to receive some brilliant results. Jamie will be going to Dundee University to study Bio-Medical Sciences. Junada will be taking a gap year and will be working at Hampstead School. He hopes to study Medicine in 2022.

Kamal is going on to study Accounting and Finance at Hertfordshire University.

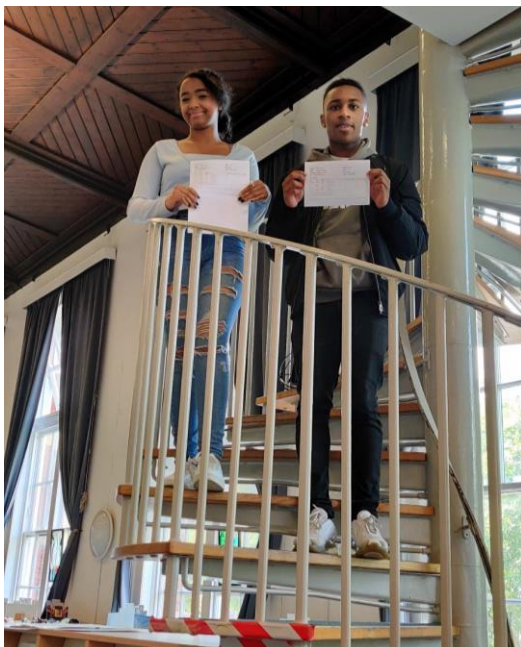

Eban, James and Ned are going on to university. Eban and Ned will both be going to Leeds University to study Geology and Geography with Transport Studies, respectively. James is heading to Southampton Solent to study Film and Television.

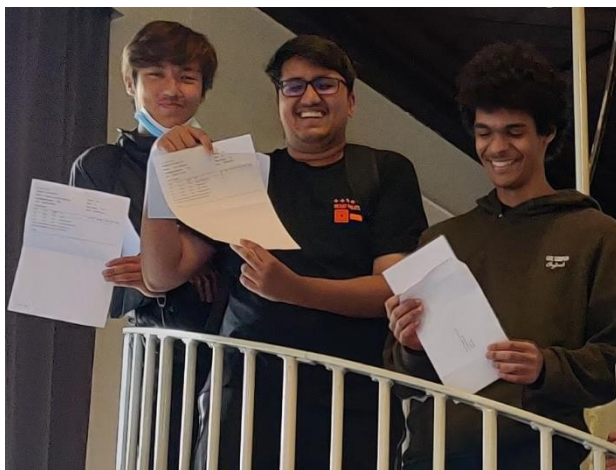

Hana and Leah are excited to be going to Goldsmiths and De Monfort University, Leicester. Leah will be studying Film Studies.

Abbas will be going to Queen Mary University to study Aerospace Engineering.

Our Head Girl and Head Boy, Leulah and Malachi, will be heading to university. Leulah is going to study Sociology at Roehampton University and Malachi is heading to Liverpool John Moores to read Zoology.

Adam, Premraj and Nicoll are looking forward to starting university in London this September. Adam and Nicoll will both be studying Maths at Kings College and Imperial, respectively. Premraj will be reading History at SOAS.
