

# HAMPSTEAD SCHOOL

Learning together Achieving together

23 May 2019

Dear Parent/Carer,

As you may be aware, Hampstead School is beginning important renovations to two key buildings after half-term, including the West Building in which the Sixth Form Centre and Library are located. Classes have been re-timetabled for the remaining lessons of summer term for those studying Level 3 subjects in Year 12 and for Level 2 students completing their BTECs, but space for independent study on site for Sixth Formers will be limited. To address this, **from Monday June 3<sup>rd</sup> until the end of term**, students in the Sixth Form **will not be required to attend morning registration** at 08:40 but may arrive in school in time for their first lesson, during which they will be registered. Students will also be permitted to leave the site as soon as their lessons for the day have finished. Please emphasise with your child the importance of good time-management during this period; attendance and punctuality to lessons remain a top priority as classes will have started important new Yr13 topics.

Do please get in touch if you have any queries about this temporary arrangement.

Yours Faithfully,

B. Ackland
