

Dear Parents,

It's that time of year when we start thinking about back to school and purchasing school uniform. I know that this can typically be a big event and we are here to take the hassle away.

John Lewis & Partners provides Schoolwear for many schools and in previous years we have held events in our shops whereby the student can try on the sizes before placing an order with johnlewis.com.

Due to Covid-19 we are having to think differently this year. The majority of our stores are now open however, due to the ongoing situation I appreciate that some parents may choose not to go into a store. The restrictions mean that uniform items cannot be tried on and our fitting rooms are closed.

We do however, have knowledgeable Partners in store who can guide you and assist with ensuring you get the correct uniform and sizes for your child.

To make things easier for you and to offer you the highest standard in supporting the purchase of uniform we would like to invite you to attend a virtual Schoolwear Masterclass, hosted through zoom. You can reserve your place at one of these free, 30-45minute classes, via the link below and join our John Lewis Partners live in store. Our teams will guide you through the correct way to measure your child for their school uniform, they will show you a number of options, and you will be able to type your questions for the team to answer live.

Please click here to reserve your place [Schoolwear Masterclass](#)

Once the session is over please visit our website by clicking on the links below to purchase your school uniform.

We hope you will appreciate that we are doing all that we can to make the process of purchasing your child's school uniform as easy as possible, and their return to school in September a smooth one.

Kind regards,

John Lewis Schoolwear Team
