Dear Parents/Carers

School Meals Increase After Easter Break

The Hampstead School Catering Service, which we brought in-house in spring 2018 has seen a better offer and improvements in the quality of food on offer. This has been alongside remodelled dining hall facilities.

Unfortunately, from the start of the summer term, due to the increased cost of food supplies, the cost of the Meal Deal (main course and dessert) will increase from £2.40 to £2.45 (with a further increase from £2.45 to £2.50 from the autumn term). The school meal menus are on the school's website and change on a 4-weekly basis. Please look at these. I am sure you will agree that they continue to represent excellent value for money.

There will also be a commensurate price increase on some other items on offer. These will be uploaded onto the school's website.

Please remember that the school operates a cashless system through ParentPay. Parents / carers can check their child/children's account regularly to ensure there is sufficient credit.

If you think your child/children may be entitled to free school meals, you can apply on line at www.camden.gov.uk/fsm. Please ensure that this entitlement is taken up.

I take this opportunity to thank you for your continued support.

Yours sincerely

Margaret Johnson
