

HAMPSTEAD SCHOOL

Learning together Achieving together

26 April 2019

Dear Parent / Carer

Welcome back to the Summer Term. I trust that you all had an enjoyable break and managed to enjoy some quality time with family and friends. Of course, for those taking public examinations this year, many students will have attended our Revision School that ran in the first week. Turnout at these revision sessions was excellent as we move into the all-important examination season. The full timetable for these examinations can be found on our website; please go through this with your son/daughter.

This term also sees the final phase of our building works finally taking place. This will involve the substantial refurbishment of the West and North Buildings, starting at the half-term break and continuing through the summer recess. This will necessitate some unavoidable re-rooming of lessons currently timetabled in the West and North Buildings until the end of the academic year. We hope that the West Building will be ready for the start of the next academic year in September, with the North Building completed by the autumn half term.

So as to create some capacity for decant, Years 9 and 10 will be dismissed early at 1215 on Tuesday 14 May. This is when they would have had lessons in those rooms due for refurbishment, so presenting an opportunity for storage and removal. The rest of the school is unaffected.

I have also been informed that on Monday 29 April and Tuesday 30 April, Westbere Road will be completely closed to traffic from 0900 to 1500 on both days for essential maintenance. Please ensure that your child leaves home in plenty of time to avoid later bus diversions. Thank you for your ongoing support and very best wishes for the term ahead.

Yours sincerely

Jacques Szemalikowski
Head
