

THE 10 TIMES

Welcome to our very first monthly news letter. My team of tutors and I wanted to communicate to you all more about all the incredible opportunities that are available to our year 10 students as well as praise those who are showing outstanding efforts and achievements. We hope you enjoy our first edition of 'The 10 Times'.

Best Wishes
Ms S O'Connell

Black History Month

Throughout October Mr Crust has been leading some after school sessions where a number of our year 10 students have been learning more about stand out black figures from history. A selected group represented the school on a Black History Walking tour of West London. **Black History Month Event, 15th November 2017 @ 6.00pm**

Business Enterprise Day

Our year 10 students took part in a Business Enterprise Day. The students looked beautifully smart in their business suits and worked extremely well in their allocated teams. Each group took a role in the marketing, selling and strategic business planning of a soap product. The external tutors who worked with our students couldn't have been more complementary about the students professionalism and creative approach to the project. There are definitely some future Alan Sugars amongst us!

Star of the Month

Our very first star of the month is...

Aafreen is a consistently hardworking, independent student who we are extremely proud of. Keep up the good work!

Artwork of the month by...

...Raisa Berkmann

Jack Petchey Finalists

"Speak Out" Challenge!

After 2 rounds our Jack Petchey 'Speak Out' challenge finalists are...

1st Place: Batul Chehab

2nd Place: Jaidyn Sommers

Runner up: Rajiyah Ahmed

These students will be representing us at the **Camden final at Regents High School, 29th November 2017**

6.00 pm All students who have taken part in the challenge have been brilliant.

ReFuel Project, Theatre Royal

ReFuel sent 4 Muslim play wrights in 4 London secondary Schools to each develop a new play. Students from Hampstead School, including 10 of our year 10 students performed their spin on 'West Side Story' at the Theatre Royal Stratford East in October.

The standard was so incredibly high and each performer should be extremely proud of what they created. Huge thanks to the Drama department for providing this opportunity for our students.

Madrid

Eight yr10 students along with some yr11 students have spent the half term weekend in Madrid.

This was an excellent opportunity to use the language learnt in class in an authentic way and explore and discover the fantastic city.

The students were incredible and a credit to the year 10 team!
